PLEASE READ BEFORE SIGNING

Tattooing places pigment into the skin using needles and is intended to be permanent, although its appearance can change with healing and time. Possible effects include pain, bleeding, infection, allergic reaction, scarring, and unexpected healing or pigment changes. Ask your artist about anything you do not understand before the procedure begins.

- ☐ I confirm I am 19 or older. A person under 19 must complete consent in person with a parent or guardian.
- ☐ I am not impaired by alcohol or drugs and am making this decision voluntarily.
- ☐ I have told my artist about relevant allergies, skin conditions, medications, healing concerns, or other health matters. I have not been asked to write detailed medical history on this form.
- ☐ I have had the chance to ask questions and understand the procedure and risks described above.
- ☐ I will follow the studio aftercare instructions and contact a qualified health professional if I have a health concern.
- ☐ I voluntarily consent to the tattoo procedure described above. I may ask to stop before the procedure begins.
- ☐ I understand the studio keeps my name, signature, confirmations, and appointment details to document consent and retain its studio record. This is not for marketing. I may ask the studio how long it keeps the record or about access or correction.
